# PINK GIN22 INFUSED WITH CRANBERRIES & ROSE PETALS

Pink gin does not have to be necessarily just for women and ladies. On the contrary! It is a regular gin of the highest quality, suitable for all G&T variants. It acquires its floral-fruity aroma by infusing fresh cranberries and rose petals.

Main botanicals: Juniper, coriander, angelica, grapefruit, chamomile, cranberries, Chinese cinnamon, rose petals.

Aroma: Floral, pronounced with roses and cranberries with a grapefruit undertone.

Taste: Delicate sweet and sour after cranberries and a rose with a long taste complemented by the classic profile of dry gin.

Volume: 500 ml

Alcohol content: 42 % alc
