

BLUE GIN22

GRAPERFRUIT & ROSEMARY

Blue is the new pink. Our new Blue gin has a strong rosemary aroma, subtle grapefruit bitterness and a strong juniper finish. These are the dominant flavors you can look forward to. Its blue coloring is obtained by infusing the petals of the Butterfly Flower.

Main botanicals: Juniper, Coriander, Angelica, Rosemary, Grapefruit, Szechuan Pepper.

Aroma: Distinct rosemary with a subtle hint of grapefruit peel.

Taste: Pleasantly bitter with light notes of Szechuan pepper.

Volume: 500 ml

Alcohol content: 42% alc
